Monterrey Children's Home Reunion

March 24 of this year was a big important event. I traveled to Monterrey by bus to attend a meeting consisting of a large number of persons who had been in our Children's home in Monterrey during much of their childhood. It was a real joy to meet with these whom we had partly raised as children. They gathered in to meet me on the property of the Children's Home where we had all lived together.

I was of course, very happy to learn of their wellbeing and their own families. We spent the day reminiscing about those precious years in which we all were very blessed from God. I was so happy to see that their lives were prospering, that they were doing well. They all were excited to share their memories about their experiences in the Children's Home. To the question that I once asked in a previous reunion they would give an answer: I asked "Was it worth it to give 50 years of our labor to that ministry?" to which they were answering "Yes brother Wyman you see us now

happy and blessed." "We thank you and recognize your love for us during those years." "You were our Papá and we will never forget." I also was overwhelmed with the sense that yes; it was worth it. We continued to share as we all participated in consuming the cake that they had brought on which was an image of Cathy and me.

"My memories of the children home are beautiful because it is here that I grew up and my childhood was the best. Thanks to God I met Jesus Christ our Savior. I remember once a bull was chasing me and brother Pylant saved me." – Diana R.

"The most cherished memory was meeting Christ, that was my best experience. Those years of my childhood were beautiful and I will never forget. There was a bit of everything: crying, laughing, playing, and the best part was that we were all so united. I learned to cook and to crochet. I am so grateful that the Pylants always loved me like their daughter" – Maria P.

We also sang songs of worship which had been such a blessing to us in those years like the one that speaks reassurance to our souls that we are God's beloved children: "I am thine oh Lord, I have heard thy voice and it spoke thy love to me" ... (Tuyo soy Jesús ya escuche la voz de tu amor hablandome aquí) I believe that all God's children should live with the assurance of salvation. Another song we sang together in Spanish is titled: Dulce comunión... which means sweet communion. It is the translation of the dear old hymn titled in English "What a fellowship what a joy divine leaning on the everlasting arms"

After some tearful goodbyes I was whisked away with our daughter and grandson to their home in the city of Monterrey.

I am happy to report that the Children's Home that we founded still goes on these 53 years later taking in homeless and hurting children near Monterrey Mexico. We are so thankful to you, our dear friends, who have been with us through the years in this ministry.
