TRAVEL TO VERACRUZ

It was a joy to visit in the state of Veracruz Mexico recently. In this area we ministered for a number of years. Preaching and starting new churches. Veracruz is a long narrow state of Mexico that hugs the Gulf of Mexico from the port city of Tampico to the port city of Coatzacoahuacalcos at the bottom of the Gulf. For years we traveled to this area from Monterrey. Visiting and starting churches in rural villages and the small towns. In a few years many new believers had come to the Lord, been baptized, and had

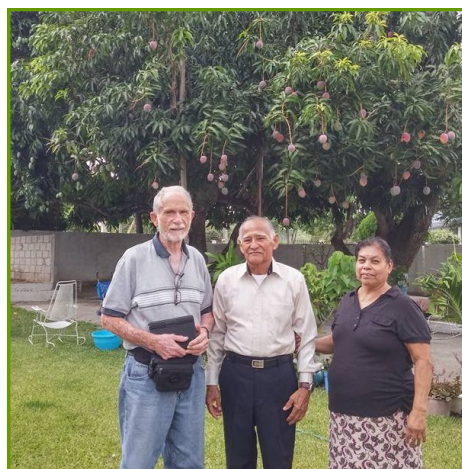

become faithful in their local churches. During those years I felt like we were carrying out the Great Commission to preach the Gospel in all the world to every creature. Some of our first converts were Sabino Sanchez and his lovely wife Antonina. This couple became faithful Gospel workers in the area eventually taking charge of the church and the missions in the region. Now, forty two years later, I arrived again to visit their work and encourage them in their labors. My visit had a further purpose of

officiating their golden wedding anniversary. This couple, their nine children, and all the believers of the region were filled with joy to see us again after all these years. Many of them came to say to me "we are fruit of your labors

and the work is progressing well with several new churches". Again I rejoice that God allowed us to win many souls to the Lord in this region as well as many other areas in Mexico. I was delighted to see the gorgeous mango trees in full production.

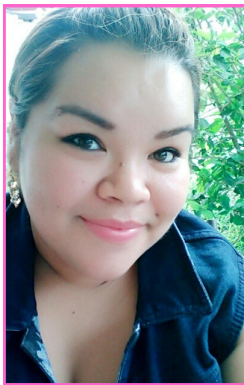

In July I visited the church pastored by my dear friend Honorio Velazquez in Kennedy Texas. Pastor Velazquez was one of the first teachers in our "Berea" bible college in Monterrey. He helped me in founding this bible school in the late sixty's. He has ministered many years in Kennedy/Karnes City Texas. He is a wise and well prepared minister

and leader in his organization. He tells his people quite often how I helped him during his grave illness while in Monterrey during those early years. I also visited with pastor Leobardo and Alfredo in Victoria Texas both of whom spent several years in the Children's Home in Monterrey during their childhood. They also with affection

We congratulate our office secretary who works with Cathy and me here in Precious Seed Ministries; Monce Ramirez was wed to Alejandro Padilla on June 25. Monce has been a great help to us at Precious Seed Ministries and to Cathy and me personally here in the office. She does this newsletter and many other jobs in this office. It was my privilege to officiate the wedding. We wish her success and happiness.

"Love is patient, love is kind, it is not envious. Love does not brag, it is not puffed up. It is not rude, it is not self-serving, it is not easily angered or resentful. It is not glad about injustice, but rejoices in the truth. It bears all things, believes all things, hopes all things, endures all things. "

My family attended Monce's wedding

The Bible says you are what you think that is why I want to share with you this next picture. I often exchange friendship with men and families who rent apartments from our property. I am always thinking about Christ and how everyone needs to know him. It just comes natural to share about him with these folks. Here I m sharing with the men at a moment on my property in the shade of some papaya trees. The men appreciated it and listened with keen interest. Your missionaries are still preaching the Gospel at every opportunity.

We continue to operate a feeding program for needy families. Monce is very useful in this and loves to minister to the families with food and other goodies. Monce gathers these ladies and gives them classes on how to prepare this donated food to suite the culture and taste of the people.

The Ciudad de Refugio church ministered to a large number of children in the recent VBS attendance was approximately 150. The rooms built by our friends in Beaumont Texas were again very useful and full of chattering bible school children. Pastor Mary reports that there were a number of decisions for Christ. It was beautiful to see the children praying with their hands raised to heavens. Thank you for your help and prayers.

We want to thank you again for your prayers and financial support to this ministry. It is because of that support that we can continue on in these different ways and places. The ministry goes on in spite of our age. God bless you. – Wyman and Cathy Pylant
