CHRISTMAS GIFTS FOR NEEDY CHILDREN

It was a happy time, this Christmas. You can imagine that in this type of ministry of Orphanages, churches in Mexico and in south Texas, Food Pantry. We gave out hundreds of toys and dolls and similar presents to children in our associated churches in Mexico as well as here in the Mission TX area we gave out presents to children of needy families. Our living room was full this December with toys and volunteer workers. Late in November the WME organization gave many Christmas presents to families from the Food Pantry we operate out of our home here in Alton, just north of Mission Texas. Two needy families of precious infants got greatly needed car seats and a family of a beautiful baby girl got a new basinet donated by WME. We also took gifts to the children of the new Church in the Mission TX area. We were able to enjoy the children's Christmas program that night. Cathy and I also visited the Reynosa Church. The children were happy to get their gifts they started playing with them right away. It felt great to see the joy on their faces. The church is currently constructing new rooms for the children.

THANK YOU FOR YOUR CONTINUED SUPPORT

I'm sure that by now you have received your report of giving to this ministry for the past year. I just want to again thank you for this generosity and sharing with others in need. Your giving has made it possible

for us to train native ministers, provide a loving home for orphaned, abandoned and abused children; build new churches; support native ministers in their work of reaching lost souls;

and give assistance to the suffering and needy. We love what we're doing in the name of Christ. We are fulfilling our calling as we have been for more than 40 years.

PRECIOUS SEED MINISTRIES BOARD MEETING

Precious Seed Board Members

Vice President Randy Nusbaum, Secretary Catherine Pylant, President Wyman Pylant, and Spokesman Henry Durst were present for our recent board meeting in Alton TX. We shared our present and continuing vision for Precious Seed Ministries. We ask for your support in prayer for God-fearing younger people to come forward to be considered for the board because most of us are near or beyond 70 years of age.

Wyman translating for Randy at the new Church in Mission TX.

Precious Seed Ministries board members visited the new Church of Daniel and Mary Bear (graduates of our Monterrey Bible School). Randy shared the word in both the morning and evening service. He also met with the ministers of the church and offered to answer questions and open the meeting up for discussion and several people joined in. Randy spoke about relating to Jesus, the Holy Spirit and God Father as someone living inside you as opposed to living far away in heaven. Also Randy encouraged them to remember that God knows your needs. The everyday language of these people is Spanish, but most understand much English. That made it interesting when Randy spoke in English and Wyman translated. Henry was impressed with the dedication the members of the church. Few of the members have walked with the Lord very long, but many came to church for all three services.

"The collection was taken up in a manner which I have never seen before. It seems a young member of the family takes the offering for his family up to the front of the church where a young man stands with a basket to receive the offerings." -Henry Durst
