

Food Ministry

We were able to bless hundreds of children with Christmas toys and food boxes with turkey for the Holidays. We want to thank Ben Koshatka from Arizona for getting his school involved in donating a Christmas gift for each child of the Monterrey Children's Home. What a Blessing that was. The need is great in this very poor part of Texas many do not have regular incomes, cannot legally work, and do not have salary. The children and families sometimes have no food to eat. Many also don't have vehicles so we go into the poor neighborhoods and bring the food to them, passing out fruits, vegetables and bread. With your help we gave out 97,357 lbs. of food in 2017 to these hungry families in south Texas. It is surely a great feeling seeing the excitement in the children's faces when they see us pulling up

and the smiles on their faces as they are picking out their food. Or when you get to a home of an elderly couple with a box full of food and they tell you that all they had to eat that day is beans and what a blessing this is for them. These families are truly grateful for this ministry. We thank God for you for helping make this possible. We are His hands and feet to serve those in need.

This child pictured above was overjoyed with her Christmas gift!

TWO NEW MINISTERS ORDAINED

Two new ministers were ordained in our church. We are proud of them and their record of faithful service. Jerry, left, was rescued out of involvement with drugs after receiving Christ at our tent revival six years ago and is now serving the Lord in the ministry. God's hand is upon his life. Mary, on the right, studied and graduated from

our Bible College in Monterrey. She is a great worker and an outstanding worship leader. We are proud of her and her husband who is also part of the ministerial staff. We ask you to hold these up in prayer. There are also new families in the church, pictured below is the most recent group of new believers who were baptized.

May God's guidance and anointing be continually be upon these.
