

HAPPY BIRTHDAY

Wyman's birthday coincided with National Children's Day in Mexico... how fitting for this man who has given so many years to loving children in Mexico.

That is 79 not 19 ha-ha..

Thank you Jesus!

"Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."

The children from the local church had a great time with Homer our comical friend...

We went into the poor neighborhoods to pass out toys to the children. Each child was allowed to pick out 1 toy of their choice. Agny had already chosen her toy and was standing by watching as others had their turn, suddenly her eyes became wide open as she exclaimed "look mom!" "What a beautiful Bible". "You know how I been wanting one". She wanted to trade her toy for the Bible but we let her keep both. We prayed for her and her family as we do with all the families in this area. Agny had been equally surprised back in Christmas when

she received a little gift which was something she had been dreaming of. "It was exactly what I wanted" she said. Wow God does really love the children. She and her brothers attended our Vacation Bible School last summer and are exited about joining us this year as well. This is no coincidence. God has a plan for our lives, each one. God loves to bless us as he is doing to this child. And we feel like God has a special plan to use this child.
