CATHY'S RECOVERY

We rejoice that Cathy's health is progressing well. She spent some days recently in a nursing home in Edinburg, Texas but was able to come home after a short stay because of her rapid healing. (She broke her hip back in October.) She feels good enough now that she insists that I let her drive to Oklahoma City, or see our son in Austin or our grandson in San Antonio. "Hold your horses Cathy, we're not quite ready for that. Haha". But we did decide to fly out to Oklahoma City and visit her sister.

VISIT FROM ALFREDO

In December we had a visit from Alfredo Galvan and his sister Silvia. We were so happy to have them. They were some of the very first children that we took into the children's home in Monterrey more than 50 years ago. We never have ceased to love those children with whom we bonded through the years of

our work in Monterrey. Alfredo was just a toddler when we took him in and his sister became a faithful office worker for the children's home working very closely with Cathy. We love and appreciate these two persons just as we do all the children that we bonded with in the Monterrey home. They still tell us that they love us as if we were their natural parents, and that they love us and will never forget those years that we lived together in the home. We still

communicate with them by Facebook and occasionally we go to see them. (more about this later)

Alfredo although we remember him as a toddler, has become a powerful preacher and conference speaker. He preaches in Mexico and comes here also to the Rio Grande Valley and

preaches in numerous churches. He recently preached in our church, City of Refuge, here in Mission, Texas. He is fruit from our ministry to the children in Monterrey. We thank God for His blessings and we thank you for supporting this ministry.

UPCOMING VISIT TO MONTERREY

We're going back to Monterrey for a visit. We're so excited. That was our home for almost 50 years and we want to have a reunion with all those friends and ex-interns. We are thrilled to see the fruit of our ministry there, to see these that we ministered to carrying on ministry to their families and churches in their communities. [Good news] we are extending an invitation to you our faithful supporters and friends to go with us. Yes, you are invited to go with us or meet us there to spend a weekend in Monterrey. Some of you have asked if

there will be an opportunity to go back and visit our mission compound just south of Monterrey. So if you are interested please contact us. We will be traveling by bus leaving out of McAllen Texas. If you prefer you can fly to Monterrey and we will arrange your pick up. We will board the bus in McAllen on Friday March 22nd and return Monday March 25th. If you are interested in going but can't at this time, please let us know and we will plan future visits. We look forward to hearing from you.

Pylant's: not caravans but carrying on the reality of God's love to our Mexican friends and brethren.

We want to thank you again for your prayers and financial support to this ministry. It is because of that support that we can continue on in these different ways and places. The ministry goes on in spite of our age. God bless you.
